GENERATION

MINISTRIES

Our mission in Next Gen Ministries is to partner with parents to share Jesus with kids and teens.

Here's how that plays out in some specific age groups:

Kids – We help kids know God's story and God's heart and teach them that they can have a vibrant relationship with Jesus at any age.

Middle School – We help students ground their identity in Christ.

High School – We help students make their faith their own and live it out
